MIDWEST BROILER/FRYER - Final majority prices into major markets were unchanged with Ohio cities TFEW. Whole broiler/fryer market tone was steady overall. Offers were fully sufficient for the very light trade call. Retail and food service demand was slow to moderate at best; buyers were decreasing incoming product loads and in some cases cancelling loads for the week. Floor stocks adequate to long; weights desirable to trending heavy. Parts offerings were light for the limited trade needs. The market tone was fully steady to firm on wings and steady to firm on remaining parts.
